Press Release for immediate distribution

Quadra Bolsters US Presence with acquisition of PlusPharma Inc.

Bill Roberts, President of PlusPharma Inc. and Tony Infilise, CEO of Quadra Chemicals Inc. are pleased to announce the acquisition of PlusPharma by Quadra effective November 1st, 2019.

This is the 3rd acquisition by Quadra in recent years and further solidifies the chemical & ingredient distributor's established presence in the USA. A Canadian market leader for over 40 years, Quadra increased its presence in the US market in 2016 with the expansion of its Resources Division, based in the Woodlands, TX, with focus on mining and energy sectors.

PlusPharma is a privately held, specialty distributor to the pharmaceutical and nutritional supplement markets. Based in Vista, California they have been in the industry for over 30 years and are known for their technical expertise, formulation support, and market knowledge. Actively distributing across the United States, PlusPharma has several stocking locations from coast to coast.

Mr. Roberts stated: "We are very happy to join the Quadra family, we really feel the fit is right and will give our customers, suppliers, and people a great opportunity to enjoy continued growth and success."

Tony Infilise expressed: "Quadra has developed a strong position in the distribution of ingredients for pharma, health, nutritional and food sectors in Canada. We are pleased to have concluded our first formal entry into the United States Ingredients space with PlusPharma. We are excited to offer Quadra's specialized, effective and trusted approach to US customers and world-class suppliers in this market."

About PlusPharma:

PlusPharma is a full-service distributor dedicated to supplying the finest quality products from worldwide markets to the North American pharmaceutical and nutritional supplement manufacturers for over 30 years. More than a supplier, PlusPharma has a technical support team assisting customers by offering formulation advice, troubleshooting production challenges, and conducting on-site training.

About Quadra:

Established in 1976, Quadra is a market leader in the distribution of chemicals and ingredients in Canada and select markets in the United States. The family owned corporation is the 3rd largest Chemical Distributor in Canada and ranked 9th in the ICIS Top 100 Chemical Distributors in North America. Quadra's three divisions: Industrial, Ingredients and Resources, each have specialized sales and marketing teams with extensive market know how, providing technical support and value-added solutions to both customers and suppliers. Quadra is well established in the USA, with a Resources division based in The Woodlands, Texas. Quadra's Ingredients Division offers a broad range of high-quality products in the food, pharmaceutical, nutritional supplement and personal care industries.
