

# CLEAN & GREEN APPROACH

## DUB LAHE

INCI Name: Hexyl Laurate

### Sensorial Alternative to Isohexadecane

Label NOI = 0.64

Offered as a 1:1 substitution with Isohexadecane Sensorial equivalence

Spreadability similar to Isohexadecane

Similarity with viscosity, surface tension, polar and dispersive components

Unique soft, dry and light feel, but not volatile and no flash point to worry about

Hydration booster

\*Does not increase foam in shampoos

100% Biodegradable

### Applications:

Haircare: shampoos, conditioners

Makeup: foundations, lipsticks, makeup remover
